CLASSES OFFERED AND JUDGING TIMES		
TRIAL DAY(S)	RING 1	RING 2
Friday/Saturday	JWW – All Levels FAST Open & FAST Novice	FAST Excellent Standard Classes: All Levels
Sunday	JWW: All Levels	Standard Classes: All Levels
Judging begins no earlier than 8 a.m. all three days		

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

HEIGHT DIVISIONS		
REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
26"	Dogs may be entered at this height at their owner's discretion	

MEASURING & HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. **A warm-up area**, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

RIBBONS, AWARDS, AND PRIZES

DENTEX Agility Club will offer green qualifying strip ribbons will be awarded for all qualifying scores. Rosettes will be awarded to 1st through 4th place dogs in each class/jump height. 1st place winners in each class/jump height also will receive a dog toy. MACH/PAX winners and new title winners will receive special rosettes. Dogs must qualify to receive a placement. Awards must be claimed at the trial; none will be mailed.

Second & third entry of same dog (includes \$3.00 AKC event).....\$13

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Mixed breed classes may only be offered at standalone all-breed AKC agility trials. A standalone agility event is defined as an agility trial that is not held on the same date and show site as an AKC All-Breed Dog Show or Independent Specialty for conformation. Dogs entered in the mixed breed classes must list the breed name as "mixed breed" and not as a breed hybrid.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 816-3776. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and Agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.

I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem sufficient. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win prizes, ribbons, or trophies, I (we) agree to hold the AKC, the event-giving club, their members, directors, governors, officers, agents, superintendents or event secretary and the owner and/or lessor of the premises and any provider of services that are necessary to hold this event and any employees or volunteers of the aforementioned parties, and any AKC approved judge, judging at this event, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or about the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim for loss, injury or damage to this dog.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Mixed breed classes may only be offered at standalone all-breed AKC agility trials. A standalone agility event is defined as an agility trial that is not held on the same date and show site as an AKC All-Breed Dog Show or Independent Specialty for conformation. Dogs entered in the mixed breed classes must list the breed name as "mixed breed" and not as a breed hybrid.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 816-3776. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and by any additional rules and regulations appearing in the premium list for this event, and further agree to be bound by the "Agreement" printed above on this entry form. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. This entry is submitted for acceptance on the foregoing representation and Agreement. I (we) agree to conduct myself (ourselves) in accordance with all such Rules and Regulations (including all provisions applying to discipline) and to abide by any decisions made in accord with them.
